

NPRA

Nottingham Park Residents' Association

Adding more to Park life

Membership costs £10 a year and includes the Park Card.

The Park History

The Park is a historic residential estate in the heart of Nottingham, one of the most remarkable Victorian urban estates in the country. It is an area of national architectural importance as well as a conservation area - it was once the deer park for Nottingham Castle which overlooks it. The estate roads are still lit by gas lamps, forming one of the largest gas street-lighting networks in Europe and is maintained privately by Nottingham Park Estate Limited.

Supporting Your Community

The NPRA exists to represent the interests of the residents of the Park Estate. If you are a resident, we encourage you to join us and keep an eye on our website for all the latest news and events.
