**NPEL**

## Parking

### The Problem

*Parking permits are issued to residents or employees of Park Estate businesses if there is space to park on an Estate road with a single blue line immediately abutting the property. If a property is eligible for parking permits, NPEL will generally issue two permits if requested. NPEL can issue additional permits if there is sufficient space abutting the property and/or there is off road parking or a garage used specifically for parking. The problems arise on roads where there are large houses with small frontages, especially where they have been subdivided and require more car parking than there is space abutting the property. There is no one solution that can be made to work for every street, which has resulted in many failed attempts to satisfy all residents with a single regulation.*

### The Solution

**Parking Enforcement:** District Enforcement are contracted by the Company to patrol and enforce the Regulations within the Estate. Appeals should be submitted in writing within 28 days of the parking charge notice (PCN) issue date. Appeals can be made online at [www.district-enforcement.co.uk/appeals](http://www.district-enforcement.co.uk/appeals) or by post to District Enforcement Limited, PO Box 10418, Ashby de la Zouch, LE65 9EJ or by email to [appeals@district-enforcement.co.uk](mailto:appeals@district-enforcement.co.uk).

Please note third party appeals will not be accepted without the written consent of the driver/keeper. Once an appeal is on the system, staff in the Park Estate office do various checks, where necessary, and will either deny or uphold the appeal based on the content of the appeal and any supporting documents. Whether a vehicle has had previous PCNs will also be considered. There is absolutely no financial incentive or any other benefit for the wardens to issue parking charge notices (PCNs) without valid reason.

### The Process

To apply for a parking permit, please email [enquiries@nottinghamparkestate.co.uk](mailto:enquiries@nottinghamparkestate.co.uk) with your name and address. When you receive the application form, please complete and sign both sides and return to the office and we will then arrange for the parking permit to be delivered to your address if your application is successful. Before NPEL can issue the permit, they will need to see a copy of your tenancy agreement (if applicable) and photo ID e.g. driving licence or passport for all applicants. Until you receive the permit, please ensure that you leave a note on your dashboard stating the address of the property and 'permit applied for' if parked on the road. Also, anyone visiting you can only park on a single blue line immediately abutting your property on an intermittent basis and must leave a note on their dashboard stating 'Visiting', the date and the address of the property. Permits are free issue and will allow ANPR access at the rising bollards on Peveril Drive.

In addition to parking abutting your property, having a valid permit displayed will enable you to park, on an intermittent basis only, on the north side of Park Valley between the Park Steps and the row of garages before Sun Drive and outside the Estate Office on the south west side of Ogle Drive on the single blue line. Please take time to familiarise yourself with the parking Regulations which can be found on NPEL's website – Parking Regulations. Please let NPEL know straight away if any of your vehicle details change.
