SAFARI *supper*

If you want to join in, either as a host or a diner (we need a proportion of both) please fill out the attached form and send it back to us so we can start the machine going that works out who eats what where and with whom. Unbelievably complicated behind the scenes, but very simple on the night.

We all meet at 6.45pm at the Park Tennis Club pavilion for champagne and your individual instructions. This will be an envelope containing a map showing which house you (single or couple) will be going to for your first course. Off you trot and at 8.45pm you'll all be handed your second envelope which will tell you where you go next for your main course. And at 10.15 you get shown the door and make your way back to the pavilion for desserts, coffee and a debriefing session - always good value that bit.

Price varies from £20.00 per head including drink to nothing if you host a main course. Any profits will be drunk by your good selves before the night's out, so I'd say that's pretty good value for what is always an entertaining night out.

We're going to limit this one to 100 people, so RSVP ASAP if you want to be part of our ninth Safari Supper. And remember we do need two thirds of you to just eat, so don't feel like you have to do anything more than enjoy yourselves and meet your neighbours, which is what it's all about. If we're short of hosts, I'll let you know.
