September 2023

Dear Local Resident/Business,

As the date of the 2023 Robin Hood Half Marathon approaches we are writing to tell you that the event is coming to your area, and of the traffic management measures which may affect you. As organisers, we appreciate there will be some disruption, which we hope you understand is unavoidable when staging such a large mass participation event and we thank you for your patience and cooperation in advance of race day.

**General Information**

Event: The Robin Hood Half Marathon  
 Date: Sunday 24th September 2023  
 Start Time: 09.30 from Victoria Embankment

**Road closures**

We have worked very closely with the Park Estate and Nottingham City Council to agree a full traffic management plan, which will be safe for the runners and cause the minimum amount of disruption to residents and other road users. However, there will be times when some roads will be closed to traffic and parking restrictions will be in place, which are necessary to host such a large road race. If you are affected and need to be somewhere on the day, please plan your journey in advance and if possible can we ask you consider moving your car to a nearby street, which is not affected.

Here are the Traffic Management measures on Sunday 24<sup>th</sup> September in your area...

Road	Length of road affected	Type	From	To
Maid Marian Way	Upper Parliament Street to Canal Street	Closure	08:30	10:30
Lenton Road	Friar Lane to South Road	Closure		10:30

Park Drive	Whole Road			
Clumber Crescent South	From South Road to Park Drive			
South Road	Whole Road			
Newcastle Circus	From South Road to Duke William Mount			
Duke William Mount	Whole Road			
Lincoln Circus	Whole Road			
North Road	Whole Road	Closure	08:30	10:20
Castle Road	Whole Road	Closure	08:00	13:00
Derby Road	St Helens Street to QMC Island	Closure	08:30	13:10
Castle Boulevard	Whole Road	Closure	08:30	13:10

**Please note:** All emergency services have been consulted during the planning of this event and we would like to assure residents that ANY emergency vehicle needing to attend a property in your area, especially where life is at risk will be given priority.

For up to date information and full details of all affected roads in the City please visit [www.robinhoodhalfmarathon.co.uk](http://www.robinhoodhalfmarathon.co.uk), email [info@goldlineevents.co.uk](mailto:info@goldlineevents.co.uk) or call the Help Line on 0778 813 7117 until 4pm on Friday 22nd September 2023.

**The Race Team**

On race day there will be over 500 people managing the route who play a vital role in making the race happen. All of these people volunteer their time and come to us from local charities and organisations that have supported the event for many years. Please bear in mind that the person at the end of your street is a volunteer. If you need assistance, they will do everything they can to help, although they may need to refer you to the Route Manager or take down your details and pass to the Race Director.

The Robin Hood Half Marathon is a landmark event for the City and will see up to 9,000 runners participate; elite athletes looking to beat their personal best time and some runners for whom just getting to the finish line will be a massive achievement. Entering a Half Marathon is not for the faint hearted and takes determination, commitment and a lot of will power. We hope that you will support our runners and welcome the thousands that flock to your beautiful City each year to take part by cheering them on as they go past, most of whom will be raising thousands of pounds for local charities and will really appreciate your support.

Thank you for in advance for your patience and cooperation,
